The feminist movement is corrupt to the core	Gender feminism is a hate movement	Consider the male perspective	The feminist movement is corrupt to the core	The feminist movement is corrupt to the core
--	------------------------------------	-------------------------------	--	--

One out of three victims of domestic violence are men. Three out of three beneficiaries of domestic violence are feminists	Only one in five women support feminism ... so how can feminists claim to speak for all ?	If feminists have a valid case then what’s with all the exaggeration, lies and misrepresentation?	Can someone tell me how society benefits from demonising men and infantilising women?	Attacking and censoring dissenting voices ... sounds more like fundamentalism than gender equality to me
